Summary

Hello!

As I pursue Bachelor Multimedia Arts at Mapúa Malayan Colleges Mindanao, my journey is fueled by a profound passion for capturing life's moments through portrait photography. Beyond the lens, I immerse myself in the creative realms of graphic and layout design, harnessing tools like Adobe Photoshop and Canva to bring ideas to life. Join me as I weave artistry and technology to craft compelling visual arts. Let's connect and explore the boundless possibilities of multimedia together! ♥#
