christian angelo desamparado

Student at ACLC College
Nasipit, Caraga, Philippines

Summary

After graduating two years ago, I delved into the family business, acquiring invaluable operational insights. Recently, a pivot towards Information Technology, especially cybersecurity, has been made. Actively engaging in penetration testing and mastering penetration testing tools, I also practice in helpdesk support roles, showcasing a passion for troubleshooting and problem-solving. This combined expertise positions me uniquely at the intersection of business acumen and IT proficiency.

Experience
