Buod

Good Day! I'm Kathea Mari Mayol, an Information Technology student from the University of San Carlos, who seeks a position in life to utilize my skills and abilities and achieve professional growth while being resourceful, innovative, and flexible. I am also eager to build a long-term career in the field of IT and further my knowledge in the IT domain, particularly in web and mobile development.

With a strong passion for coding and a keen interest in staying updated with the latest technologies, I am committed to continuously enhancing my skills in web and mobile development to deliver cutting-edge solutions and contribute to the success of impactful projects.

I am motivated by opportunities where I can apply my skills in video editing, graphic design, and programming to convert ideas into captivating visuals that can be readily taken in by business owners of all sizes.

I thoroughly enjoy establishing connections with new individuals.
