Yukimura JKR

Streamer @ Twitch | Animation, Video Graphics, Video Editing
Davao, Davao Region, Philippines

Summary

With expertise honed in visual content creation and audience engagement, my role as a Streamer at Twitch leverages my skills in photography and video editing to deliver captivating experiences. At EHB Printing Services, my proficiency in layout design empowered our team to produce high-quality print materials that resonated with clients.

As a Twitch Affiliate, our community has flourished through interactive live streaming sessions, where I apply my knowledge of video graphics and special effects to create dynamic and immersive content. My mission revolves around crafting visually striking narratives that not only entertain but also foster a connective digital environment.
