Summary

Your job posting really caught my eye. As a capable multi-tasker with great customer service skills, offer smile, and friendly greetings to customers both dine and drive-thru. I believe I would be a strong addition to your team. Taking orders from the cashier, preparing food with personal hygiene and food safety standards, crafting a perfect cup of coffee is something I am very passionate about. My thorough detailed focused attitude means I am committed to any tasks given such as: replenishing condiments and other supplies, bring clean dishes, flatware and other items to serving areas and tables, receive, unpack and store supplies in refrigerators, freezers, cupboards and other storage areas.

The job posting mentioned that you are seeking someone who thrives in high-pressure situations, and my previous experience of 9+ years in hospitality has prepared me well. I am able to easily divide my attention between tasks without sacrificing food and drinks quality or customer service.

I am happy to be part of that process. If my qualifications are suitable to your needs. I am eager to further speak with you about the role and greatly appreciate your consideration, I would welcome an opportunity to speak with you in your most convenient time, through this phone number +966500747269 or you may send an email at dionnorcio@gmail.com, and that I attached my resume for your reference.

Sincerely,
Dionesio L. Norcio
