Summary

Kiah Nhame Cordero is a passionate and innovative Computer
Science student at Mapúa Malayan Colleges Mindanao, blending
technical expertise with a strong focus on creativity and leadership.
Since 2022, Nhame has been the founder and President of the
Mapúa MCM Association of Proactive Innovators (API), where
they have played a key role in fostering a culture of collaboration,
problem-solving, and innovation within the academic community.

As a skilled UI/UX designer and front-end developer, Nhame
specializes in creating seamless, user-centered digital experiences.
With a keen eye for both aesthetics and functionality, they design
intuitive, accessible interfaces that enhance user interactions across
various platforms. Constantly refining technical skills and staying up-
to-date with the latest trends in design and development, Nhame
is committed to building innovative solutions that bridge the gap
between form and function.

An active member of DICE (Davao Interschool Computer
Enthusiasts), Nhame contributes regularly to the region's tech
community. They are also deeply passionate about volunteering and
community engagement, reflecting a strong commitment to making a
positive impact in both the tech industry and society at large.

Thriving in fast-paced, dynamic environments, Nhame approaches
challenges with a solution-focused mindset and adaptability. With a
forward-thinking approach, they are excited to continue leveraging
leadership, technical expertise, and a passion for innovation to drive
positive change in the ever-evolving tech landscape.
