NINA EUNICE SACALA

Information Systems Student
Naawan, Northern Mindanao, Philippines

Summary

As a highly motivated 4th-year Information Systems student, I have developed crucial skills through rigorous coursework and hands-on projects. My academic experience in Operations Research, Business Intelligence, CRM, SCM, ERP, Strategic Management, Data Analytics, and Project Management has provided me with a strong foundation in addressing complex challenges and attention to detail. Being an Information Systems undergraduate has been a transformative journey for me. I am passionate about leveraging technology to solve real-world problems and improve processes. This passion drives me to continuously learn and adapt, and I am quick to grasp new concepts and tasks efficiently. My adaptability and strong communication skills enable me to work effectively with diverse teams and thrive in various work environments. I am confident that my capabilities, combined with my eagerness to learn and grow, make me a strong candidate for a wide range of opportunities. I am excited to bring my knowledge, enthusiasm, and dedication to any team I join.

Experience

Mindanao State University - Iligan Institute of Technology
2 years

Software Developer - Project Manager - UI/UX Designer
2022 - Present (2 years)

Collaborate with cross-functional teams to identify and prioritize features and requirements
Conduct code reviews and provide feedback to improve code quality

IT Specialist, IS Specialist Project Manager
2022 - Present (2 years)

Managed a team of 4 graduating students to develop a system showcasing the wonders and arts of Mindanao.

Created detailed project plans, set clear objectives, and established timelines, and ensured efficient use of resources and timely completion of deliverables. Presented project progress and final outcomes to faculty and peers, and documented the project's development process and results in comprehensive reports.
