Summary

As an Achieve Assistant at Brigham Young University–Hawaii, my role intertwines with the intricate tasks of digital preservation, ensuring that valuable academic records are meticulously maintained. My expertise is fortified by multiple AWS Academy certifications, including Cloud Foundations, Data Engineering, and Machine Learning Foundations. Currently, I am pursuing a Bachelor's degree in Management Information Systems, which complements my practical experiences and hones my competencies in the evolving field of information management. My tenure at the university is marked by a commitment to excellence, where I've also had the opportunity to briefly support our culinary team, enriching my collaborative skills and adaptability.
