Cristhan Dave Espiritu

Web Developer | Freelancer

Tacloban, Eastern Visayas, Philippines

Summary

I am a graduate of WEB APPLICATION DEVELOPMENT, a 3-year Diploma Course ladderized into a Bachelor's Degree in BSIT for 1 year at ACLC College of Tacloban (Philippines). I am currently studying for a Bachelor's Degree in BSIT. I'm hardworking and always excited to explore things I haven't discovered or learned yet. I'm always willing to participate in competitions at my school because I strive to deepen my passion and elevate my skills.
