Hentji Tome

Computer Engineer | Software engineer | Firmware engineer
Cebu, Central Visayas, Philippines

Summary

I am a recent degree holder of computer engineering with a good foundation on embedded devices. The projects I had worked on include Verilog HDL, FPGA Design and Digital Signal Processing, as well as applying extensive knowledge in software development using tools such as C, C++, Java, JavaScript, Git, AWS, Python, Dart.

I am willing to explore open opportunities and continue to enrich my knowledge by working with professionals.

Experience

Fresh Daily
Project Manager
January 2024 - May 2024 (5 months)

Education

University of San Carlos
Bachelor of Science - BS, Computer Engineering · (2020 - 2024)
